This route enables you to reach the church Madonna dell'Assunta leaving from Tronzano. First of all, follow path 131A, passing the fork for Poggio (path 135) first, then the one for Ronco Scigolino (path 136); go past the viewpoint and the petroglyphs and eventually reach the beginning of the path at the fork for Località Vigné and Musignano. Turn left onto a nice mule track which climbs up through the wood and in about twenty minutes gets to the church Madonna dell'Assunta and to the junction with path 131 from Bassano to Musignano.
